

# Cigna oncology value-based pathways

## Feedback Submission Form

Please complete the following:

Date: \_\_\_\_\_

Submitted by: Name: \_\_\_\_\_  
Title: \_\_\_\_\_  
Company: \_\_\_\_\_

Drug Name: \_\_\_\_\_  
Disease Site: \_\_\_\_\_

### Summary of request:

---

---

### Supporting evidence for request *(Please attach relevant peer reviewed literature)*

---

*Pathway regimens are identified by consolidating inputs from value frameworks established by the American Society of Clinical Oncology, NCCN, and the European Society for Medical Oncology. The value frameworks highlight regimens with superior clinical benefit and toxicity profiles. Drug costs are only considered when regimens have comparable clinical benefit and toxicity profiles.*

### Rationale for recommendation:

A. Efficacy compared to current pathway regimens

---

B. Toxicity compared to current pathway regimens

---

C. Affordability compared to current pathway regimens

---

We appreciate your feedback to the Cigna oncology value-based pathways

Please email completed form with attachments to: [cignaoncologypathways@cigna.com](mailto:cignaoncologypathways@cigna.com)

*Your message will be considered during the course of our regularly scheduled review cycle. Because of the large quantity of literature reviewed during each pathway review cycle, we are unable to respond to individual submissions.*

Thank you,

Cigna oncology value-based pathways team
